DEDICATION

We, the class of 1954, dedicate this yearbook to you, the students of the State University at Plattburgh, who through the years have contributed so much to its ideals and its development. Each of you as an individual has been able to fulfill many of the aims of this college, through association with professional clubs, class offices, extra-curricular activities and other important school functions. Even with your personal successes, however, you felt the need of working together to accomplish the goals you wished to attain. As you cooperated with each other, these desired objectives were finally realized and could be more fully appreciated.

Since it is to the students of our college that this yearbook is being dedicated, we find it fitting that our Cardinal should guide your hand through its pages. Let him serve as a constant reminder of your accomplishments. It is our hope that he will remain with you in the future as he has done throughout your college career—welcoming you as Freshmen and bidding farewell to you when you leave as your college days end.

This is your story—for you, by you, and about you!

The history that is known and best loved resides in the hearts and minds of those who live it. Each year the **CARDINAL** vividly captures the most meaningful record of that part of undergraduate life which in a large degree is outside the classroom. Yet for years on end, you will return again and again to it in warm introspection about the happiest years of your life. Each page captures a precious memory, an intimate association; in short, a portion of your undergraduate life. In this sense the **CARDINAL** becomes an indispensable document without which the historical account of this college would be grossly and drably incomplete. Just as important is the function it serves in helping to warmly and loyally wed you to your Alma Mater.

JUNIORS

As we approach the end of our Junior year, we look back and realize how short the time has been since we first entered this university as Freshmen. Even less time remains before we leave to take our place in the world. Yet the memories of our years here at Plattsburgh will always be with us.

As the proverbial "frosh," we faced the ordeals of Freshman hazing, but we were soon oriented and organized as a class.

We came into our own as Sophomores when it was then our privilege to initiate the Freshmen into the many phases of college life and to entertain them at the Sophomore-Freshman party. We then turned our thoughts toward the Sophomore Soiree, which proved to be one of our most successful social affairs. Our second term was climaxed by the enjoyable Sophomore-Freshman picnic. The expectations of our Sophomore year were realized and surpassed, offering impetus to our desire to become Juniors.

LEFT TO RIGHT: Clarence Yando, President; Marjorie Haskell, Recording Secretary; Donald Lewis, Vice-President; Juanita Lazore, Treasurer. NOT PICTURED: Georgia Stackhouse, Corresponding Secretary.

Mr. W. Raymond James, Class Advisor.

With the arrival of our Junior year, the realization of the responsibilities that have been and will be placed upon us could be seen with more clarity. These semesters were filled with duties, both academic and social. Success accompanied our classmates when they were elected to various school offices as it also accompanied us through our Junior week, which was highlighted by our coronation, variety show and prom.

Now we are looking forward to our Senior year, not because it will mark the close of our college life, but because we feel that it will enrich our friendships and provide that final step in our development as leaders.

Our message to you, the graduates of 1953, is brief, though sincere. We believe you can be proud of the record in the following pages, for it summarizes your life at P. S. T. C. and serves as a tribute to your many accomplishments.

1953 SENIORS

Your college career has been particularly successful because you have learned to work together effectively. In so doing, you have acquired the qualities of leadership and dependability so necessary to your chosen profession. Now you must leave, but in leaving you take with you the memories and the record of your years at Plattsburgh. We hope you will also take your ideals and your ambitions. To the students of future classes, you leave the challenge of making their years here as happy and constructive as yours have been.

With the completion of your senior year, you face the turning point in your life—your graduation. Many of you will continue your pursuit of education, while others will begin your teaching career. Whatever path you choose, we know that your growth as individuals will continue.

It is with this thought in mind that we bid you farewell.

Dr. Allan Everest, class advisor.

SOPHOMORES

OFFICERS

FRONT ROW, LEFT TO RIGHT: Frank Dale, Vice-President; Lynda Manchester, President. **SECOND ROW:** Meredith Horne, Corresponding Secretary; Kathleen Haley, Recording Secretary; Sylvia Millman, Historian; Nancy Arnold, Treasurer.

You have now reached the half-way mark of your four years at Plattsburgh State. Within the past two years, you have established a record that would be creditable to any class.

At the beginning of your Freshman year, you were initiated into college life throughout "hazing" week, one of the important student traditions of our college. After many weeks of becoming accustomed to life at P. S. T. C., you came to be an integral part of the student body and began to make your own contributions as a class. The first of these was your dance, The Freshmen Frolics, which showed your ability to sponsor and present successful social affairs.

Your Sophomore year has shown to an even greater degree your leadership and

enthusiasm. For the first time in the history of the college, you presented a Sophomore banquet, which preceded your gala Sophomore Soiree. Your original and novel theme of "Evening in Paris" impressed the student body as did the cleverness with which you carried it out. Two other commendable features were instituted by your class. The first was the "Newsletter," which you felt would keep you in closer contact with the nurses in Albany. Then at Christmas time you showed your class spirit by caroling in the community.

Your remaining two years will undoubtedly be as outstanding as these first have been. To you, the class of 1955, we offer our encouragement and hopes for future success.

"Time out for study."

"Ready for a dousing?"

FRESHMEN

OFFICERS

FRONT ROW, LEFT TO RIGHT: David Grotz, Vice-President; Charlene Swears, Secretary; Carol Williams, Treasurer; Roy Davis, President.

You, the future graduates of 1956, have the opportunity to become another outstanding class of Plattsburgh State. Through freshmen "hazing" and "court," you proved your spirit of sportsmanship and the desire to be part of us. The Sophomore-Freshmen picnic enabled you to become more familiar with the rest of your classmates and upper classmen.

As you progress through your college years, our symbol, the Cardinal, will become more familiar and endeared to you. Even now, you are functioning as an organized class and are making your

fellow students aware of your interests and ambitions. The upper classmen, moving nearer their teaching goals, look to you with some feeling of envy, for you have three more years of college life at Plattsburgh.

It is our hope that you will continue to make your coming years as successful as this one has been, and that you will accomplish as much as you possibly can. Then you will be able to look back proudly to your college days with pleasant memories and no regrets.

"Class of 1956???"

"Improving the campus."

"Our favorite pastime???"

"No idle fingers here!"

"Hang on to your hats."

"Boy, am I ever tired."

"Thank you, come again!"

"Just follow the instructions, girls."

ACTIVITIES

HOUSE OF DELEGATES

FRONT ROW, LEFT TO RIGHT: Wallace, Henderson, Weber, Langdon, Gilman, Kingsley, Dietz, Millman, Wilder, Light, Camp, Quinn. **SECOND ROW:** Dr. McTernan, Miss Naylor, Dale, Paterson, Gorman, Fleury, Adrian, Story, Grasberger, Lewis, Major, Thomas, Rouse, Keedle, Miss Lewis. **THIRD ROW:** Mingo, Smith, Watkins, Larrouy, Kuzminski, Carpenter, Rugg, Sharpe, Normandeau, Grimm, McCrank, Doig, Ryan, Hubley, Cumiskey, Manchester, Garfunkel, Anderson, Cremer, Jewell.

House of Delegates

Applying the principle of "Democracy in Action" to everyday life, the House of Delegates rules as the student-governing body of our college. Delegates from every student organization on campus assemble at the bi-monthly meetings, and with the guidance of Deans Lewis and McTernan, formulate the college policies adhering always to administration approval.

The "House" has done much to bolster the standards of Plattsburgh State and its students. The responsibilities of the delegates consist of establishing new student organizations, allocating students funds, electing and sending students to various conferences, exchanging ideas with other colleges, and forming committees which look into pertinent matters of general interest.

Student Council

This council meets regularly, prior to the meetings of the House of Delegates. It serves as a planning committee to make up the agenda for each meeting of this governing body. Members of the council include the officers of the House and representatives from each of the standing committees.

LEFT TO RIGHT: Ari Rouse, Don Lewis, Pat Major, Annamarie Grasberger, Joan Kingsley, Barbara Story, Marian Paterson, Frank Dale.

The members of this committee are chosen by the House of Delegates. The activities planned by the committee this year included a mixer dance, movie nights, social dances, and a special game night for all those who wished to compete in so varied a program. The objective of this group is to keep our weekends socially well-filled.

Student Social Committee

LEFT TO RIGHT: Joe Duell, Gen Taylor, Joan Kingsley, Carol Garfunkel, Norma Wrede.

Student Guidance Committee

The members of the Student Guidance Committee are responsible for a great many of the improvements on the campus. They investigate and act on student suggestions which result in the introduction of new, or adjustment of, existing college facilities. It is this committee which helps solve many of our campus problems.

LEFT TO RIGHT: Marion Paterson, Marilyn Gilman, Imogene Main.

The assemblies at P. S. T. C. are part of the educational pattern of the college and offer the students the opportunity of hearing and meeting well known speakers and artists.

This committee, appointed by the House of Delegates, is assisted by faculty members in selecting programs for both day and night presentations. For the guests, the group also plans informal luncheons and entertainment, which provide an excellent opportunity for direct social contact between students and visiting celebrities.

Assembly Committee

LEFT TO RIGHT: Seward Neill, Gail Gorman, Frank Dale.

Extra Class Activities

The Extra-Class Activities Committee is composed of a student-faculty group responsible for planning and evaluating the entire extra-class program.

This year the group discussed plans for making a survey of how organizations and individual college students feel about the extra-class program.

FRONT ROW, LEFT TO RIGHT: Dr. George Yokum, Dr. John McTernan, Miss Marie Kochiss, Miss Alice Lewis, Arthur Rouse, Mary Sue Wallace, Florence Weber.

Interclass Council

This committee works to promote unity and cooperation among the classes. Once a month they meet to discuss problems or suggestions from students. Plans and recommendations are made which help to maintain college standards.

The committee consists of Dean Lewis, class advisors, class presidents, and one other delegate from each class.

FRONT ROW, LEFT TO RIGHT: Eleanor O'Connor, Arnold Madison, Jean Sacco, Miss Alice Lewis, Clarence Yando. **SECOND ROW:** Lynda Manchester, Dr. Allan Everest, Dr. Carl Englehart, Roy Davis, Mr. Raymond James, Don Rielle, Mr. Philip Walker.

FRONT ROW, LEFT TO RIGHT: Joan Benton, Ace Watkins, Gail Gorman, Dick Earle, Nianna McKinney, Dorothy Carpenter, Pat Major, Jan Gooseirey, Jim Kneeshaw, Lois Estey.

Curriculum Committee

The primary purpose of this committee is to give the students an opportunity to improve their curriculum. Surveys and studies are made and the results are reported to this committee. In this manner, they hope, by cooperating with the faculty, to obtain all that is possible from our curriculum.

Student Union Board

The Student Union Board was established in the fall of 1951. This board deals with the policies and procedures concerning the use of the Student Union.

The committee is composed of faculty and student members. Miss Catherine Davis, director of the Student Union, is chairman of the board.

FRONT ROW, LEFT TO RIGHT: Frances Halahan, Gen Taylor, Juanita Lazore, Kathleen Whalen, Marie Dietz, Joan Langdon, Marion Winn, Domenica Forges, Marilyn Miller, Anne Tebo. **SECOND ROW:** Joim Welstead, Pat McCormick, Joanna Russell, Julie Lovell, Geraldine Nolan, Anne Sherry, Janice Henderson, Priscilla Howard, Jacqueline Bintz.

FRONT ROW, LEFT TO RIGHT: Joan Langdon, Bob Sharpe, Marilyn Gilman, Mrs Alice Lewis. **SECOND ROW:** Art Rnuse, Jim Brown.

Women's Residence Board

The purpose of the Women's Residence Board is to set standards of hours for the women students, maintain safety conditions, and settle other problems that arise in the residences.

House and dormitory presidents meet once a month to discuss the problems concerning residence conditions.

Handbook Committee

Each year, the Handbook Committee is selected by the House of Delegates to compile the needed data concerning the college and its activities. The handbook contains general information for student use and is indispensable to Freshmen and upper classmen alike.

FRONT ROW, LEFT TO RIGHT: Bob Sharpe, Gail Gorman, Pat Ryan, Beverly Bruce, Harvey Garrow.

FIRST ROW, LEFT TO RIGHT: Scanlon, Long, Haron, Davies, Squier, Catapano, Schuyler, Robinson, Buckley, Dymes, Kiely. **SECOND ROW:** Cohen, Taylor, Gilman, Gorman, Osborn, Cronin, David, Basmajian, Fleury, Guiffre, Kingsley, Weber, Swears. **THIRD ROW:** Lewis, Meek, Powers, Madon, Williams, Francey, Knapp, Kana-ley, Keating, Cohen, Russell, Haley, Manchester.

ELEMENTARY

OFFICERS

LEFT TO RIGHT: Mary Carroll, Don Rielle, Lynda Manchester, Aec Watkins.

The Elementary Club is the largest student organization in the school. The purpose of this club is to further the professional understanding of the General Elementary student. This is done by bringing in specialists in this field. This year we were fortunate in having Dr. Frederick Moffitt, Acting Associate Commissioner of Education, as our first guest speaker. A movie, "Nanook of the North," which proved to be interesting as well as educational, was another presentation. Other important acts of the club were the sending of delegates to the meeting of the New York State Teachers Association in Buffalo, the Early Childhood meeting in Bennington, and the New York University Symposium in New York City.

The Elementary Club also served its members from a social standpoint by sponsoring dances and various social events during the year. The highlight of these was the "Pedagogue Hop," held in May.

HOME ECONOMICS CLUB

OFFICERS

LEFT TO RIGHT: Jean Testani, Annamarie Crasberger, Dorothy Carpenter, Monica Meagher, Mary Ellen McCrank, Kay Pendergast, Nancy Thomas.

The Home Economics Club presents to all Home Economics students the opportunity for personal development through services to school and community. This club helps to further knowledge of the many phases of Home Economics and to increase interest and pride in them.

These future homemakers have sponsored the Coffee Hour for Freshmen, the Christmas Tea, and have made a Brownie Troop active once again. They have published news of their activities in the annual "Platacon."

New friends and ideas were gained from the workshop in Burlington, Vermont, and the state convention in New York City.

This year the Home Economics Club and the Radio Workshop presented a joint assembly program to help the student body gain a better understanding of the meaning of Home Economics.

NURSE-TEACHERS CLUB

The aims of this organization are to sponsor programs of professional interest to all members and to plan for the recreation and diversion of the group. Many social events such as a Christmas party, a welcoming party for the Freshmen, and and Easter Tea for the entire college, were sponsored by the club. On May Day, they also gave a party for the Children's Home. At Christmas, they sang carols and decorated the hospital, which brought much cheer to the patients.

Showing their desire to contribute further to the development of the college, the club sent delegates to both the Buffalo Conference and to the New York Symposium.

A "Newsletter" has been sponsored by the Nurse-Teacher Club to inform students on and off campus and the alumni of the activities of the group. Even though the nurses are in Albany for two years, they are always in close contact with their classmates in Plattsburgh. In Albany, they continue to carry out many of the functions of the club as they do at P. S. T. C.

NORTHERN LIGHT

Published bi-weekly, the Northern Light brings news of college activities and discussions of our current problems to students, faculty and alumni, to whom this paper is issued.

Editors and reporters alike manage to combat successfully the many problems common to a newspaper staff, and the college is proud of their accomplishments.

This year the band first appeared in the November Fall Concert. Supplying music in the lighter vein, this group made the evening a highly successful one.

A new addition this year was our Pep Band. This small group was composed of regular band members who played at all home basketball games. This ensemble did much to bolster our cheering spirit, as did the entire band at our Pep Rallies.

Another division of this music organization is the Brass Ensemble, which appeared at the Vesper Sing. This group was heard in the Winter Concert with the Glee Club, Modern Dance group, Vocal Ensemble, and the Band.

The final appearance of the Concert Band was made at the traditional Junior Coronation and Class Day activities.

Our orchestra was bigger and better than ever this year! This organization is composed of students experienced in playing string, wind and percussion instruments.

Mr. Brehm first introduced the orchestra in the Thanksgiving Program. Their performance was excellent, producing in all who heard them a feeling of pride. In December, a smaller group of the regular orchestra, the string quartet, was in attendance at the Christmas Vesper Sing and rendered several selections plus providing accompaniment for the choral groups.

Spring came and with it, the presentation of "Finian's Rainhow." Everyone agreed that the orchestra's performance added greatly to the success of our second annual operetta.

The final public appearance for the orchestra during this highly successful year will be the impressive rendition of music for the Baccalaureate Service in June.

FIRST ROW, LEFT TO RIGHT: Grace Orcutt, Lois Esley, Corinne Hill, Arlene Lewis, Bonney Brinkaw, Kate Osborn. **SECOND ROW:** Harry Matteson, Dick Riani, Jim Bruwn, Neal Burger, John Sprague. **SEATED:** Dr. Yokum.

The Mixed Chorus, consisting of a group of forty selected voices, provides an opportunity for advanced vocal students to sing the finest of choral literature, both accompanied and A Cappella. This group is under the able direction of Dr. George Yokum.

These fine vocalists performed in the Thanksgiving Program, the Christmas Vesper Sing, and the Baccalaureate Services. However, they are always eager to participate in class or extra-class musical activities. P. S. T. C. is proud of its Mixed Chorus!

The Concert Vocal Ensemble is a highly select choir of twelve members chosen from the Mixed Chorus. The best of choral music is provided by this group which represents the college, along with the Modern Dance Club, in matters of public relations and recruitment.

FOOTLIGHTS CLUB

The Footlights Club, under the able direction of Mr. Paul Hartman, functions for all students interested in dramatics.

The members learn not only the techniques of action, but also the mechanics of the all-important back-stage details which assist the actors in their productions.

One-act plays, under student direction, are given at the regular meetings, and twice each year, in the Spring and Fall, the major productions are presented for the public. "Footlights" also handles the technical and dramatic aspects of the Christmas Pageant.

The Thespians have made "Footlights" one of the most active organizations on campus and have received the admiration and respect earned by their efforts.

"The show must go on."

The members of the Literary Club edit and publish "The Vat," the college literary journal. This annual publication contains varied types of

creative writing, including stories and poetry, contributed by members and other students interested in developing ability in this field.

In its fourth year at P. S. T. C., the Radio Workshop boasts of a new sound room, equipment, and a "station-like" studio. Members spend their time rehearsing radio plays, announcing, and experimenting with sound effects. These have been taped, replayed, and checked for improvement. Additional activities included trips to station CBS in Montreal, the local Plattsburgh stations, and Champlain College's campus station, WRWS.

FRONT ROW, LEFT TO RIGHT: Tom Lavarney, Don Williams, Dale Thornton, Margaret Anderson, Nancy Cremer, Marjorie Jacobsen, Thomas Blanchard.

Photography Club

This club, a relatively new organization on the college campus, has overcome numerous obstacles in order to help the school in meeting its photographic needs.

Through the use of exhibits, field trips, speakers, and actual photographic experiences, it has shown students and faculty alike the art to be found in photography today.

In addition to this, the club also participates in the annual science fair and aids school publications with the fundamentals of photography, mainly developing, printing, and enlarging.

Art Club

It is this group, composed of Home Economic, Elementary, and Nurse Teacher students who work enthusiastically to further their appreciation of art, and to develop creativeness by working with such materials as leather, metal, block printing, wood, and clay. The club is under the capable supervision of Miss Ballarian. The students produce many attractive projects and gifts. Art Club sponsors social events during the year which are enjoyed by all.

Wiley, Sylvia Brach, Jane Jewell, Anne DeGarmo, Mary Jean Denicore. **THIRD ROW:** Beth Squier.

This club is open to anyone interested in the art of tumbling. Our advisor, "Doc" Wiley, has our program well planned. At the beginning of each meeting, calisthenics are performed. Then the fundamentals, consisting of kips, high back-rolls, cart wheels, head stands and flips, are added as a challenge. During the meeting special stunts are

also enacted, which are interesting and entertaining to all.

Each year the tumbling club presents a program in which each member participates to the best of his ability. Much satisfaction may be gained from this type of physical activity.

MODERN DANCE CLUB

This group, under the excellent guidance of Dr. Backus, aims to develop expression through interpretive and group dances.

The talent and training of the group is displayed annually in their Spring program and has come to be another traditional part of P. S. T. C.

This year the dances included several interpretations on phobias, a new phase of creative dancing.

This group participated in the all-college productions of "Finian's Rainbow" and, previously, in "Brigadoon."

Modern Dance

The Outing Club, advised by Dr. Backus, began the year with enthusiasm and prospects of many good times for the students of P. S. T. C.

A challenging climb of Cascade Mountain, over 4,000 feet in height, was the highlight of the Fall activities. The winter schedule was climaxed

with a weekend of skiing at Stowe, Vermont. The Outing Club provided a worthwhile organization for those who are interested in "roughing" it. Each year there are many new experiences in which its members may participate.

This year the lodge at Twin Valleys, where

our camping facilities are located, has been completed and it is our hope that it may be enjoyed by the entire student body.

The members of the Inter-fraternity Council are representatives from the three sororities of Plattsburgh State Teachers College. The aim of the council is to foster cooperation among the sororities. Its functions include the regulating of rushing, initiation and pledging. It also acts as the authority for any problems that might arise within the sororities.

Each year the council sponsors two social functions—the Inter-fraternity Tea and the formal Inter-fraternity Dance.

The Inter-fraternity Council has become a worthwhile part of our school system, an organization greatly appreciated by the Clus, the Alpha Dels, and the Agos.

Student-Faculty Health Committee

This group controls the health policy of the school. A student representative from each class and representatives from the faculty comprise this committee.

The work of the Student-Faculty Health Committee consists of reviewing the present health policy of the college and making suggestions for future policies.

ALPHA DELTA THETA

The A. D.'s made their first impressive appearance with the presentation of "Baby Doll," their annual assembly.

The originality of the rush party then proved another success for the Alpha Dels. The rushees came to the Mock Wedding as presents and followed the newly-weds on their honeymoon.

The A. D.'s proved their usefulness to the community by helping to prepare T. B. letters, by making Christmas tray favors for the two hospitals and by Christmas caroling.

The Interfraternity Dance and formal Pledge Banquet were among their other activities.

To conclude the year, all efforts were extended to honor the Seniors at the Farewell Banquet.

ALPHA KAPPA PHI

The Agos began a busy year with their Hallowe'en Spook Party, given for the entire college.

The Rush Party theme for this year was an Interecollegiate Airplane trip. The members took the rushees on a trip to visit the various colleges throughout the U. S., ending naturally at our own P. S. T. C.

The Agos again joined with the A. D.'s and Clios at the Interfraternity formal, a dance for the three sororities, their rushees and guests.

The Pledge Banquet began the functions of "Hell Week," a time of hazing for pledges. "Hell Week" ended with formal initiation and the pledging of the new members.

A tribute to the Class of 1953 ended a happy and memorable year—a year in which sadly we say "so long" to our Seniors.

FRONT ROW, LEFT TO RIGHT: Leavitt, Reynolds, Beekwith, Bunting, Jacobsen, Carpenter, Light, Squier, Callahan, Carr. **SECOND ROW:** Drake, Fleury, Francey, Forst, Goodman, Mull, Guilfre, Paterson, Horne, Gorman, Taylor, Fleury, Gilman, Larrouy, Rogers, Major, Lamont,

PHI KAPPA PI

The Clios' successful year began with Clio Day as they busily prepared for the tea and then showed their talent at their dance by staging a complete circus.

The Rush Party found all the rushees cleverly dressed as "Half and Half," with the Clionians carrying out the theme in the decorations and entertainment.

At Christmas the Clios helped with the orphans' party, caroled and prepared a holiday basket.

Finally came "Hell Week" and pledging, when the Clios added to their chain of daisies. With mingled emotions, they said goodbye to their Seniors at the Farewell Breakfast and so ended another happy year of working together.

The Delta Kappa fraternity is once again recognized and active as an organization on our campus. This fraternity is not entirely unfamiliar to Plattsburgh State, since it had at one time been a part of our college activities. Because of World War II and the entering of P. S. T. C. men into the services, it became necessary for this frat to become inactive.

Delta Kappa is a national fraternity and, as such, is always in close contact with many of its brother chapters located throughout the nation. Local government and equal representation at national meetings serve to make D. K. a democratic and popular group. The members of Delta Kappa carry out many activities pertaining to the organization itself and to our college. One of the D. K.'s major aims is to create goodwill among college students.

Pledging, hazing, and initiation tend to establish a strong bond between fellow members of Delta Kappa.

Once again, as in the past, the Athletic Board was faced with the task of allocating funds to the various athletic functions of the college. The Board, presided over by Doug Mehne, with "Doc" Wiley as its faculty advisor, was successful in all its undertakings and no financial difficulties were left for the incoming group to assume.

Besides the regular duties that the Board performed, other projects were undertaken and carried out during the year. The cheerleaders were in need of new uniforms. Consequently, the Board

promptly ordered and paid for complete new outfits for both Varsity and J. V. cheerleaders. A contingency fund was established and maintained. This fund serves more or less as a cushion which the Board can fall back upon in case their funds fail, or whenever bills turn up unexpectedly. Tentative plans were made to send the cheerleaders on at least one of the basketball trips. And last but far from least, the Board was able to operate successfully throughout the entire year.

VARSITY BASKETBALL

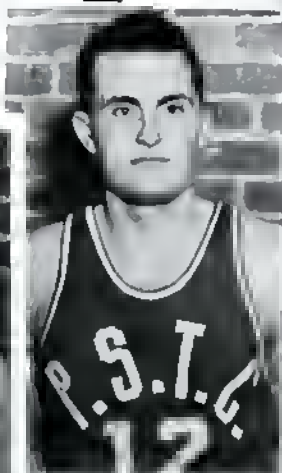

The 1952-53 edition of Plattsburgh's Varsity basketball team, although aided by the return of only one player from the previous year's "starting five," played the toughest schedule that any Plattsburgh team has ever faced.

Coach James' team made up in speed, deception, and teamwork what it had lost in height and scoring ability. The team started out by playing schools such as R. P. I., Buffalo State, Fredonia and Brockport. The Cardinal team was beaten and beaten badly, but it recovered, and when they met teams like Oswego, Albany State and Potsdam, they held their own.

The team was, without a doubt, the "travelingest" team ever to wear the red and white. But this held true to

Mr. James' philosophy that he would rather have his squad play a good team and be defeated than to win games easily over poor opposition.

Next year's team should be even better as the boys have gained experience and confidence. However, the Varsity will lose three good men via the graduation route—Chuck Keedle, Jack Noone, and Ken Humiston.

A new and different pattern of play was introduced at P. S. T. C. this year by Coach Al Werner and his "Little Redbirds." The coach was new, the system was new, but the outcome of the games was the same as always—Plattsburgh was usually ahead when the final whistle blew.

Mr. Werner did not cut his squad down as do most coaches. Instead he used his third and fourth string teams during the entire first half as "shock

troops." These teams, although usually weak in scoring, literally ran the opposition ragged. Then came the mainstays, sparked by Bob Garrow, to dazzle the opposing teams with their outstanding scoring ability.

The J. V.'s show a great deal of promise and should, in the future, keep the Varsity well supplied with good basketball talent.

CARDINAL STAFF

The work of the **CARDINAL** staff is perhaps more concentrated than that of any other organization in the school. It is an organization that changes in its makeup yearly for it consists only of Juniors, elected by the executive committee of the class to publish our school annual, **THE CARDINAL**.

The **CARDINAL** staff is elected in the Spring of the class' Sophomore year, and consists usually of ten students who do the actual planning and make-up of the yearbook.

It has been traditional at P. S. T. C. for the theme and dedication of the book to remain unknown to the rest of the students in the school. The secret is kept until Class Day, when the book is presented to the college at the Class Day exercises.

The '53 **CARDINAL** staff is fortunate in presenting the largest book ever published here at Plattsburgh. The need to expand comes with the ever-increasing enrollment of the college, plus the

large number of activities in which the students participate.

Along with the staff members, students and faculty alike have contributed to this publication. Many thanks go to those who have donated much of their time to our year book.

With the assistance of our advisor, Dr. Everest, and the never-failing patience of our class, the task is completed.

To the staff, the **Cardinal** has become a symbol too. In his progress through the book, he's been a friend against our many problems—with us he's cheered each time a deadline is met and another task accomplished.

It is with a mixture of pride and humility in the honor you gave us that we present this book to you. As representatives of the Class of '54, we ask you to look back in the years to come and consider this record of accomplishments among your richest experiences.
